

## Niue Power Station 5G Energy Base Station

When is Niue's New Power Station launching?The Ministry of Infrastructure celebrated the soft launch of Niue's New Power Station on the 7th November . The launch marks a critical milestone in Niue's journey to strengthen and modernize its energy infrastructure. What is Niue Power Corporation (NPC) funding?This represents the culmination of years of work from Niue Power Corporation (NPC) staff, local and overseas contractors, and our development partners. Australia and New Zealand funding assistance in particular has been instrumental in the procurement of new generators, transformers, switchboard and construction of a new building to house these. Why is the work being done at Niue Power House important?"The work being done is crucial for ensuring that Niue has sustainable and efficient energy for years to come." Niue looks forward to welcoming technicians in the coming weeks to assist with the commissioning of the generators in the new power house as the nation moves towards a more sustainable and resilient future. What does the Minister of infrastructure say about Niue's New Power Station?The Minister of Infrastructure, Hon. Crossley Tatui extended his appreciation to the Australian and New Zealand Governments, saying, "The construction of this new power station is a vital piece of infrastructure for Niue's development and well-being. This achievement would not have been possible without the support of our regional partners." How did New Zealand support Niue's battery energy storage system?In addition to Australia's support, the New Zealand Government contributed \$2.5 million to relocate and restore Niue's Battery Energy Storage System (BESS). This funding has allowed the Ministry to repair the grid control system, procure necessary fuel tanks, and install cabling and connections. Who congratulates Niue Power Corporation?The Minister of Infrastructure, Hon. Crossley Tatui expressed deep gratitude for the efforts behind this project: "I must acknowledge the hard work and dedication of the staff of Niue Power Corporation, for keeping the lights on. Niue's new Power Station soft launch marks With the upcoming reintegration of the BESS and solar farms by December, Niue is poised to move closer to its goal of 80% renewable energy production by the end of . The Ministry now has both old and The Government of Niue | Power Outage On the 18th September , Niue's new power station was brought online.
