

Singapore Energy Storage New Energy BESS

Singapore's Sembcorp Industries Ltd (SGX:U96) has finalised two new clean energy projects on Jurong Island -- a 118-MWp solar farm and an expanded 326-MWh battery energy storage system (BESS) -- as part of efforts to scale up renewable power and grid stability solutions in the Singapore's government and Energy Market Authority (EMA) have announced power sector and grid enhancements, including a possible expansion of Southeast Asia's biggest battery storage plant. In a speech at the Singapore International Energy Week trade event on Monday (21 October), Gan Kim Yong, the Sembcorp currently manages around \$1.5 billion worth of sustainable infrastructure on Jurong Island, according to Singapore CEO Koh Chiap Khiong.
